Language Arts: Over the next two weeks, our class will learn about Christmas. We will discuss and look at a variety of Christmas pictures and think links. Get ready to carol as we sing our Christmas songs! We will also read many stories and discover flannel board stories. Our featured fingerplays are, "Where is Santa?", "Little Christmas Tree", and "Five Little Reindeer".

Craft and Writing: The lights on the tree go blink, blink, blink at Christmastime! Our little elves will be busy creating many special projects.

Concept: The children will have a lot of fun putting ornaments on our classroom Christmas tree! We will also compare and contrast big and small objects.

Motor: Our class will play fun Christmas games throughout the next two weeks. We will have fun as we pretend to go sledding in our classroom! Oh what fun!
