Rectify: to set right; to make a correction

Happy Birthday to
Kian Aguilar
Dec. 6th
HIP, HIP HURRAY!

Concept

Ms. Jen will briefly discuss some of the different holidays celebrated in December. We will sort the different symbols for the holidays and observe the similarities and differences. For science, we will re-visit our sweet potato plant and illustrate the progress.

Language Arts

Ms Kailey will have many different pictures to show the children, illustrating some of the different December holidays and they will discuss how the different holidays are celebrated.. We will read several holiday stories to help support our theme. Story #6, Come and See, will be introduced and reviewed daily. Practicing our Christmas songs will continue and the children are doing a great job.

Motor

The holiday fun continues as we practice walking on the festive balance beam to the beat of a drum. We will play a game of pass the Santa hat (hot potato) and Christmas buckets (Bozo buckets). Let the reindeer games begin.

Craft and Writing

This week, we will be completing several types of themed papers, such as cutting, tracing, and coloring. The numbers 15 and 16 readiness papers will be added. We will begin to work on our special Christmas presents. (shhh...its a surprise)

Christmas break for pre-school (half-day) children begins December 27th. Classes resume on January 3rd.
