Weeks 23 and 24: January 16-27, 2023 Theme: Healthy Children

Language Arts:

For the next two weeks, we will be talking about ways to be healthy. The children will be able to identify healthy and unhealthy foods and behaviors. The last four letters of the alphabet will be introduced: Ww, Xx, Yy, and Zz. The children will continue to practice all of the reading stories, and begin reading Story 7 Look Mother and Father. Lastly, we will have a class discussion on the fable The Dog and His Reflection, and enjoy games of Hangman.

***Please bring in pictures of healthy and unhealthy foods for a collage.**

***Please send in grandparent's addresses,**

if you haven't already done so.

Concept:

In science, we will discuss our five senses, and how they are used. We will also be talking about washing our hands and cleanliness. The children will have fun giving the baby dolls a bath in the water table. Lastly, we'll start to work with our golden beads, 1's, 10's, and 100's.

Motor:

We'll practice left and right, and have food relay races! Also, we will be doing exercises indoors to aide our topic of health. We'll stress the importance of staying active, and the children will see that exercise can be fun. Weather

permitting, we will go outdoors. Please make sure your child is wearing appropriate outdoor gear.

Craft and Writing:

We'll be working on readiness papers for the letters, Ww, Xx, Yy, and Zz, as well as the numbers 19 and 20. Our other papers will let us find a way from one point to another, and practice rhyming words.
