We will also play a winter mitten review game!**

**Craft and Writing: Snowflakes, snowflakes falling down! Snowflakes, snowflakes touch the ground! It is winter!! Let's get ready to create some special wintry crafts for all to enjoy! As we are introduced to the new letters Kk and Ll, we will incorporate them into our papers. We will also focus on our newest shapes; oval and rhombus.**

**Concept: Hello Winter! As winter is here, we will talk about the changes that happen during this seasonal change. The children will enjoy a fun snowflake matching activity. We will also be building our very own snowmen using different shapes.**
