February 4th, 2023**

**Theme: Community Helpers & Careers**

**Introductions:**

**Letters- Mm and Nn**

**Colors- Brown and Purple**

**Fable #4**

**Star Students:  
Landon B. and  
Lincoln B.**

**Language Arts: All around us you will find working people of all kinds- teachers, vets, and dentists who have important jobs to do. Doctors, nurses, firefighters, and police officers dressed in blue. What important job do you do? Over the next two weeks, our class will discover many great careers and we will discuss the people who help our community. We will look at community helper song sticks and learn more about how much they help our community!**

**Craft and Writing: Let's get baking! The children will explore their baking skills with some cookie Cutters and playdoh. Our class will be introduced to new letters Mm and Nn. We will also focus on the new colors brown and purple. Let's get creative as we collage using these new colors.**

**Concept: We will continue to play games as we review 1-10. The children will work on seriation of color, size, and number when we are postmasters. Our little scientists will enjoy weighing different career tools at our science lab.**

**Motor: Our community helpers will also appear in our obstacle course. As our bakers must make it along the zig zag path to the oven before dropping the ingredients, our police officers must jump over the wall to help someone, and finally our firefighters crawl under the flame through the**

## **Notes to Parents:**

- Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!
- If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!
- Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!
- Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
