# Kindergarten Kaleidoscope

**Weeks 25 and 26: January 30th-  
February 3rd and 6th-10th, 2023**

**Theme: Solar System**

**Introductions: Penny & Nickle,  
Dime & Quarter**

**Language Arts: Over the next two weeks, the children will be working on printing letters and numbers. The students will continue to work on activities such as “Build a Word” and “Build a Sentence”. We will also keep working on compound words and blends.**

**Math: We will begin our unit on money introducing the four coins; penny, nickel, dime, and quarter. Students will continue to work on subtraction. We are now working on place value including the hundreds place too.**

**Science: We will start by learning about our planet Earth throughout the week and then blast off into outer space and learn about the solar system and all of the planets.**

**Notes to Parents:**

- Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!
- If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!
- Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!
- Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
