Terrific Toddlers

Weeks 25 and 26: January 30th– February 3rd and February 6th-10th, 2023

Theme: Transportation
Introductions:
Action Words– Run and Jump
Review– All that we have learned so far!

Language Arts: All aboard! Let's chug down the tracks to learn about the many types of transportation. Over the next two weeks, we will explore the theme of transportation. We will learn fun and exciting songs about cars, trucks, trains, airplanes, and boats. Our featured flannel board story is, "Five Little Monkeys Jumping on the Train".

Craft and Writing: Our class will enjoy making a train craft and many more fun and exciting works of art!

Concept: We will do a fun water activity as the children will pretend to wash the cars inside of the water table. So much fun!

Motor: Join us for a fun movement game as we march all around the classroom! We will play a traffic light game by learning to stop with red light and go with green light.

Notes to Parents:

- Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!
- If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!
- Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!
- Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
- Please like us on Facebook to see exciting things happening at our school!
