**Theme:**  
Valentine's Day

**Introductions:**  
Shape: Heart  
Color: Pink

**Language:**

Love is in the air! This week we will be celebrating Valentine's Day. The kids will enjoy holiday-themed finger plays, books, and flannel board stories.

**Concept:**

Our new shape heart and color pink will be introduced to the students, and they will be added to our daily review and concept shelf. We will also practice our matching skills, by putting different colored hearts next to one another.

**Craft and Writing:**

The children will use their imaginations to create a variety of art projects that relate to our holiday theme. They will be painting, coloring, and having fun with playdoh. We will also be gluing small hearts to a big heart.

**Motor:**

We'll bring the balance beam and tunnel this week to help us improve our motor abilities. The kids will have a great time dancing to a variety of tunes, including one of our favorites, *Shake Your Sillies Out*.

**Sign Language:**  
The word "I love you"

**Student of the Week:**
