Kindergarten Newsletter

Theme: Valentine's Day/Post Office

Student of the Week 2/6- Belle
Student of the Week 2/13- Xander

Review:

Money- penny, nickel, dime, and quarter. We will also learn that 5 dimes are the same as 2 quarters.

Fable- *Jupiter and the Tortoise*

Manners- Be considerate if someone is sick

Language Arts: It's amazing to see how much the children have grown academically since the beginning of the school year. They are doing a great job reading and writing. We'll continue to work on blends, diagraphs, and our printing. We will discuss what a post office is, and what it is used for. The children will practice mailing letters in our classroom. Word search and crossword blends will be enjoyed. Lastly, we'll read the book *Bucket Filler*, and discuss the importance.

Math: The boys and girls will continue to become familiar with our new topic of money, and will have fun working with different coins. We will also enjoy a Valentine's graph, and a number identification game with the numbers 1-30, and more Valentine themed math. They'll really love conversation heart addition.

Science:

We will explore bubbles, do a heart catapult, baking soda balloon heart, and a VDay volcano. The children will also get to clean money with salt. Our STEM activities include: Fruit Loop heart bird feeders and a marshmallow/straw challenge.

Social Studies:

The boys and girls will get to design their own stamp. We will also discuss what a post office is, and why we need these.

Art:

We will be busy as always, and work on Valentine's projects. We will be making a bag to collect our valentines.
