THEME: Trip to the Zoo
February 27, 2023

During our second week of discussing zoo animals, we will focus on the animals that reside in mountainous areas.

Have a nice week!

Mrs. Roxanne, Mrs. Rachael and Mrs. Amy

Language Arts: Storybooks and flannel board stories will enhance our theme of animals we see at the zoo. We will continue our luck at answering questions to our *Riddle* game.

Concept: We will build our zoo using wooden blocks and estimate how many animals will fit inside. Number counting will continue as we count the number of zoo animals we can name when visiting the zoo.

Craft & Writing: We will continue to work on cutting skills as we cut snakes made of play doh.

Motor: We will pretend to be Zoo babies again this week while crawling through an obstacle course. We will also utilize the rocking boat, ball and wand and tunnel for gross motor practice.

Important Info

Spring Break April 3-7 Center closed to children who attend the morning session only. Classes will resume April 10.
