Introductions

Heart & Star

Language Arts: Stomp dinosaur, and dinosaur roar!!! Get ready because the dinosaurs are coming! This week, our class will discover the many mighty dinosaurs that lived long ago. We will look closely at real life pictures as well as books.

Concept: Sorting, counting and seriation of dinosaurs will take place this week. We can't resist using blocks for these dinosaurs to climb. We will play a shape sorting game to help us learn our new shapes. We will also watch a dinosaur egg hatch. Oh, what fun!!!

Craft & Writing: Our class will be creating "Dinorific" artwork, as we explore with watercolors, sponge paint and use collage materials throughout the week.

Motor: We will have fun marching like dinosaurs to our favorite dinosaur song! The ball will be used for target practice.

Parent-Teacher Conferences: Center closed to children who attend preschool only on Monday and Tuesday, February 20 & 21.
