**THEME:** Transportation

Our theme, Transportation continues this week with more discussions about the different way we get around our neighborhood, state, country, and world.

The numbers 7 and 8 will be introduced this week.

Happy Valentines' Day to all of our sweethearts!! 

**Language Arts:** Trucks, planes and boats oh my! We will learn so many exciting songs about transportation and play a color game using school buses.

**Concept:** We will have fun filling up dump trucks with blocks, and sorting cars by size. This will enhance our counting and seriation skills.

**Craft & Writing:** During our second week of transportation, we will make a traffic light, water color an airplane and color a train.

**Motor:** We will be doing an obstacle course using cars and trucks. The *ball* and *wand* will also be used this week.

Happy Birthday
