Nursery News

**Weeks 25 and 26: January
30th– February 3rd and
February 6th-10th, 2023**

**Theme: Transportation
Introductions:**

Action Words– Come and Go

Review– All that we have learned so far!

**Happy
Birthday:
Zoe W. 2/4**

Language Arts: Let's chug-a-lug like a boat, zoom like an airplane, rumble like a truck, and chug like a train as we explore the many exciting ways of transportation. Throughout the next two weeks, our class will learn about transportation. We will learn new songs and flannel board stories about this topic. Our featured songs are, "I'm a Choo Choo Train", and "Five Flying Airplanes". Get ready to blast into a very fun and exciting two weeks!

Craft and Writing: All aboard the creative train of learning! Our little artists will be creating colorful and interactive crafts as well as exploring other mediums to create art.

Concept: During these next two weeks, the children will enjoy discovering different forms of transportation around town and on the water. We will also do a one to one correspondence activity with trucks, cars, airplanes, and boats. We will have fun playing a transportation matching game and a dump truck counting game.

Motor: "Vroom, vroom!" The children will have fun transporting vehicles while crawling through the tunnel. They will enjoy learning the action words, come and go. We will be using the tumble mat throughout the week! To keep our bodies moving, we will also explore riding toys and the rocking boat.

Notes to Parents:

- Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!
- If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!
- Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!
- Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
