# Nursery News

**Weeks 27 and 28: February 13th-17th and 20th-24th, 2023**

**Theme: Valentine's Day/Dinosaurs**

**Introductions:**

**Shapes– Heart and Star**

**Review– All that we have learned so far!**

**Language Arts: The dinosaurs are stomping, flapping, and diving into our classroom for the next two weeks! Get ready to discover these prehistoric creatures that lived long ago. Can you swish your tail or jump, thump, and tap to the beat? We will enjoy singing along and using instruments as we create our own dinosaur rap. In celebration of Valentine's Day, we will learn many exciting new fingerplays about dinosaurs and Valentine's Day. Our featured flannel board stories are, "I'm a Little Valentine" and "Five Big Dinosaurs".**

**Craft and Writing: We're busy creating loads of love! Throughout the following weeks, our little cupids will be busy creating a few dinosaur crafts and special Valentine's Day crafts. We will also explore our newest shapes, heart and star.**

**Concept: These next two weeks will be busy as the children explore like a paleontologist as they try to find fossils. The children will have fun playing a new Valentine monster review game.**

**Motor: "We are the dinosaurs marching, marching!" The children will pretend to be BIG dinosaurs as we do different motions. We will also play a Valentine's game.**

## **Notes to Parents:**

- **Our Valentine's Day party is on Tuesday, 2/14! Don't forget to bring in your boxes for the party!**
- **Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!**
- **If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!**
- **Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!**
- **Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.**
- **Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.**
