Pre-K Newsletter  
February 20 - 24, 2023  
February 27 - March 3, 2023**

**Theme:**  
Mammals

**Introductions:**  
February 20 – 24:  
Story #10

February 27 – March 3:  
Hexagon

**Reading Words:**  
read, play

**Manners:**  
Review

**Language:**

For our theme of mammals, we will learn what they are, how they live, what they eat and which ones can live in homes as pets. Our daily review will consist of letters Aa – Zz, phonics, stories 1-10 and rhyming words. We will also play letter bingo and musical letters to help reinforce our letters and phonics.

**Craft & Writing:**

Over the next two weeks the children will be working on papers and projects to reinforce our theme of mammals. We will work on papers to introduce the shape of hexagon along with papers that will help with their positional words; above, below, on, inside, beside and under. The children will also work on papers to help review their numbers, patterning skills and sequencing skills.

### Concept:

For the next two weeks in Concept, we will continue to work on number concept. We will also play what's missing; using our tactile bag and work on compare and contrast activities. We will start practicing counting by 2's and the children will be working on new jobs that will reinforce our theme of mammals.

### Motor:

The tumbling mat and the tunnel will be a part of the first obstacle course. The rocking boat and cardboard blocks will be part of the second obstacle course. We will also play Simon Says and hop scotch, along with using bean bags to help us review numbers 20-30.

### Show-N-Tell: Tuesday, February 28

Your child can bring in 1 item that goes along with our theme of mammals. Please make sure it fits into a gallon zip lock baggie that is labeled with your child's name.
