Kallie 2/12

Charlotte 2/12

Will 2/19

Language Arts: Our love grows and grows! We will celebrate Valentine's Day and learn songs about caring and friendship. We will also explore dinosaurs and read several "dino-rific" books. Our classroom favorite book is "Pete the Cat: Valentine's Day is Cool".

Craft and Writing: We will be busy creating a very special Valentine's Day craft and a few spectacular dinosaur projects throughout the next two weeks.

Concept: Get ready to count all of our dinosaurs in our sensory bin! We will conduct a dinosaur search in our sand table. During our Valentine's Party, we will be matching colored hearts.

Motor: We are the dinosaurs marching, marching! Our class will play a dinosaur movement game as we march around the classroom like dinosaurs. We will also have fun using the parachute and the trampoline to get our bodies moving.

Notes to Parents:

- **Our Valentine's Day party is on Tuesday, 2/14! Don't forget to bring in your boxes for the party!**
- **Just a reminder, we have open registration for our Summer Camp and 2023-2024 school year. The summer activity fee is \$30.00 and the Fall registration fee is \$100.00 single child/\$150.00 for a family. Please ask with any questions!!**
- **If your child wears snow boots to school, please make sure to bring an extra pair of gym shoes for them to change into in their backpack. Thank you!**
- **Please remember to bring your winter gear for playing outside. We require snow pants, boots, gloves, hats, mittens, and scarves for outdoor play! We do take the children out if it's 25 degrees or above. Thank you!**
- **Parents, please remember to label winter gear, extra clothes, blankets, and cot sheets.**
- **Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.**
