

Toddler Times

Week 29 Feb. 27- March 3

Introduce: Rectangle

Theme: Let's Get In **SHAPE**!!!!

This week we will focus on shapes, sorting and getting our bodies up and moving. Every day will start off with the "Shape Pokey" as we dance with shapes mounted to popsicle sticks. Shapes in shaving cream will be a great way for the children to explore shapes in a soft, squishy texture.

In art class the children will enjoy making shape buddies as well as coloring a shape body picture. We'll have fun mosiacing shapes on our rectangle paper as we practice using our glue bottles and build up those fine motor skills.

The concept of big and little will be reinforced as we sort big and little shapes as well as make big and little movements. A shape hunt will help us find shapes all over our classroom! Rectangles are everywhere! Our shelf jobs will be filled with various shape sorters as we practice "working" independently on our square mats.

Many shape songs and flannelboard stories will be enjoyed throughout the week. We'll tap to some of our new tunes with our rhythm sticks again this week. An exciting new bin of small, wooden blocks will help us stack our shapes up, up up! We'll finish off the week with our healthy heart game that will get us movin' and groovin'!
