

# Junior Journal

March 6—10

Week 30 Theme: Ocean

**Bits of Intelligence: Musical Instruments**

**Vocabulary:** Quarrel— An angry argument or disagreement. *It is not nice to quarrel with our friends.*

**Reflection—** An image given back. *As I was walking along the beach, I could see my reflection in the water.*

**Language Arts:** Mrs. Christine will introduce some of the aquatic life living in our oceans and share many books relating to this theme. An exciting fishing review game is sure to add to the fun. Please enjoy one of our favorite ocean songs.

### Take Me Out To The Ocean

*Take me out to the ocean, take me out to the sea. There goes a starfish and sand dollar, I'm having such fun, I've just got to holler. Oh it's swim, swim, swim underwater, catch a ride on a whale, DON'T FEAR! For the sea animals are our friends, give a great, big CHEER!*

**Craft and Writing:** Splash...right into the Junior room this week. Our new theme, Ocean, will be reinforced with our readiness papers. Lacing and cutting will also be practiced.

**Concept:** We will explore our oceans, learning all about various fish and sea creatures. The children will use shells for counting, sorting and seriation. Sand and water play will be enjoyed as we add sea creatures and beach toys.

**Motor:** Ms. Cheryl will have the children swimming like fish and crawling like crabs through her room this week. Basketball, hopscotch and a fishing game are a few favorites on the agenda.

### Spring Color Days:

**March 20th and 21st.**

**The colors for the Junior room will be BLUE and ORANGE. Please dress your child in the colors blue and orange on these days to help us welcome the Spring season. Several color themed activities and a blue and orange snack will also be enjoyed.**
