# Joyful Juniors

**Week 34: April 3rd-7th, 2023**

**Theme: Easter**

**Review:**

**All that we have learned so far!**

**Language Arts:** Here comes Peter Cottontail hopping down the bunny trail, hippity, hoppity, Easter is finally here! Throughout the week, our class will discuss the celebration of Easter and learn many new springtime songs and learn many new flannel board stories. Get ready to play a raindrop review game and search around the carpet for letters. We will also look at real life pictures of springtime animals such as baby chicks, bunnies, frogs, and ducks.

**Craft and Writing:** Springtime is here and we are celebrating our new season of Spring! The flowers will soon be starting to bloom and we are excited to see so many colors around the classroom. We will be making colorful flower handprints to be displayed on our art wall. Many other springtime crafts and collaging will be going home during the week! All year we have been working hard on tracing our names, please continue to practice this skill with your child at home. Soon we will begin to write our first names and last initial.

**Concept:** Our class will work on the flower review game. The children will also help the Easter Bunny match all the eggs together so they can be delivered! We will also enjoy making patterns with our Easter items. So much fun is in store this week!

**Motor:** The children will have fun participating in an obstacle course finding the Easter Bunny's eggs. This activity will involve our action words.
