Joyful Juniors

**Weeks 35 and 36: April 10th-14th and
17th-21st, 2023**
Theme: Down on the Farm/Earth Day

Language Arts: Welcome to Old MacDonald's Farm! During the next two weeks, our little farmers will discuss a variety of barnyard animals. For example, we will look at picture files of cows, sheep, pigs, horses, and chickens. Our featured songs are "Take me out to the Barnyard", and "Old MacDonald". We will also enjoy singing some of our favorite Farm songs using our farm animal song sticks! This activity will be so much fun!

Craft and Writing: Our little farmers will focus on the new letters Uu and Vv. We will explore farm papers and work on a few farm animal tracing activities. We will also have some playdough fun and create some farm art projects throughout the next two weeks! Towards the end of the week, we will be busy discussing Earth Day and will work on special activities.

Concept: Clippity, clippity, clop. The horse goes clip, clop, they gallop, they start and they stop. Clippity, clippity, clop! The children will compare and contrast similar farm animals such as: horses, cow, sheep and goat. Farm animals will also help us with our distance and estimation.

Motor: Weather permitting, our class will be continuing to practice bouncing balls, shooting hoops, and kicking a rolling ball.
