Mrs. Ashley

Kindergarten Kaleidoscope

Weeks 36 and 37: April 17th-21st and 24th-28th, 2023

Theme: Earth Day & Birds

**Please practice spelling words every week.
Thank you!**

Language Arts: Over the next two weeks, students will continue working on the concepts previously introduced such as short and long vowels, blends, and continue working on diagraphs and begin to introduce contractions. We will continue to work on our Guided Reading books.

Math: Nonstandard measurement and weight will be reinforced over the next two weeks along with our concepts we have been working on such as fractions, money, time, and simple addition and subtraction. We will use the scale and introduce rulers to the students in the upcoming weeks as well.

Science: We will spend time discussing how to keep our Earth clean and learning about the 3 R's: reduce, reuse, and recycle. The students will learn why it is important to begin this now because it will effect the Earth for years to come. We will continue working on our phone numbers and addresses. Spring is in full swing and we will be discussing different types of birds that we can see outside.

Notes to Parents:

- **Earth Day will be celebrated on Friday, 4/21! We will discuss the importance of protecting our mother Earth and talk about important tasks like recycling.**
 - **Parents, please remember to label outdoor gear and extra clothes.**
 - **Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.**
 - **Remember to follow us on Instagram and like us on Facebook!!**
 - **Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for Summer and Fall! This is a great opportunity for college students or stay at home mothers. Some locations are looking for wonderful teachers! Please contact Ruth or Katrina for more information!!**
- Thanks!!**
