# Positively Pre-K

**Week 35: April 10th-14th, 2023**

**Theme: Spring**

**Review:**

**All that we have learned so far!**

**Language Arts:** We will be reviewing and spending time on our reading stories. We are going to be reading some books about Spring. Also, our topic of Spring will be reinforced with stories and fingerplays. Our Spring Program is soon approaching and our students have been practicing their songs and preparing for our end of the year show. We will be continuing to review these songs!

**Craft and Writing:** We will work on Spring pattern papers, along with some special art projects. The children will enjoy making some Easter crafts as well. We are very proud of the children and how great they've been with writing their names!

**Concept:** We will continue to work on counting by 5's and 2's. We will discuss Spring as the season has changed.

**Motor:** If the weather cooperates, we will be going outside with the parachute and will play some relay games. One game will include Springtime items!
