## Ms. Riley and Mrs. Morgan

# Positively Pre-K

**Week 37:** April 24th-28th, 2023
**Theme:** Insects and Garden
**Review:**
All that we have learned so far!

**Language Arts:** 1, 2, 3, there's a bug on me! Where did it go? I don't know! We will look at different pictures of insects and have a class discussion. The children will enjoy stories and fingerplays to go along with our theme. Our class will also be focused on reviewing phonetic sounds.

**Craft and Writing:** The children have worked so hard this year printing their names. We will have some fun insect projects to work on as well as coloring papers of insects. We are also busy working on very special Mother's Day gifts.

**Concept:** Green ones, yellow ones, spotted bugs, and multi-legged bugs! The children will show off their skills by sorting bugs by color, size, and type. We will continue working on counting by 5's and 2's.

**Motor:** Oh Mr. Sun, Mr. Golden Sun, please shine down on me! If the weather permits, we will be outside as much as possible. Please have the children dress appropriately for outdoor activities.

## Notes to Parents:

- Vision & Hearing Outreach will be visiting our school on Thursday, April 27th, Vision and Hearing screenings will be done for our three to five year olds.
- Parents, please remember to label outdoor gear, extra clothes, blankets, and cot sheets.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
- Remember to follow us on Instagram and like us on Facebook!!
- Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for Summer and Fall! This is a great opportunity for college students or stay at home mothers. Some locations are looking for wonderful teachers! Please contact Ruth or Katrina for more information!! Thanks!!
