Terrific Toddlers

Week 36: April 17th-21st, 2023

Theme: Gardening/Bugs

Review:

All that we have learned so far!

Language Arts: The butterflies in the air go flutter, flutter, flutter all through the sky! Over the next two weeks, our little scientists will examine and discover a variety of bugs. We will discover a variety of bugs. We will focus on bugs that fly, crawl, and jump throughout nature. As we learn about this theme, we will enjoy singing songs about bugs and use our instruments to shake up some fun learning!

Craft and Writing: Let's have fun making butterflies and caterpillars during the week! We will also focus on coloring some fun pictures of creepy crawlies.

Concept: We will discuss how to take care of our planet as we celebrate Earth Day! We will learn about a variety of flowers and will have fun pretending to plant some flowers in our pretend garden area.

Motor: Our little bugs will explore the tunnel and pretend to be caterpillars as we crawl our way through the tunnel.

Notes to Parents:

- Spring Picture Days are on Tuesday, April 18th and Wednesday, April 19th!
- Our Pre-K class has baby quail eggs arriving to our school on Tuesday, April 18th! We will enjoy watching their growth and development over the next few months.
- Earth Day will be celebrated on Friday, 4/21! We will discuss the importance of protecting our mother Earth and talk about important tasks like recycling.
- Parents, please remember to label outdoor gear and extra clothes.
- Please remember to check your child's backpack or folder to see if he/she needs anything to bring for school and please check backpacks often for important paperwork.
- Remember to follow us on Instagram and like us on Facebook!!
- Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for Summer and Fall! This is a great opportunity for college students or stay at home mothers. Some locations are looking for wonderful teachers! Please contact Ruth or Katrina for more information!! Thanks!!
