Terrific Toddlers

Weeks 37 and 38: April 24th-28th and May 1st-5th, 2023
Theme: Down on the Farm
Introductions: Numbers 5 & 6
Review:
All that we have learned so far!

Language Arts: Cows on the farm go, "moo, moo, moo!" This week our class will explore the topic of farm and learn about the many barnyard animals. We will discuss what farm animals eat and learn about the sounds that they make. As we learn about this exciting theme, we will learn flannel board stories and fingerplays.

Craft and Writing: We will create "farmtastic" works of art throughout the week. For example, we will work on a baby chick and cow craft during the week.

Concept: Help me count the barnyard animals that live on Old MacDonald's farm. We will help our farm animals get clean in our water table.

Motor: Let's get moving like our barnyard friends! Can you oink like a pig or quack like a duck? We're going to play a down on the farm action and movement activity. This will help us learn about how the animals move and get our bodies moving!
