

Pre-K Press

Weeks 37 and 38: May 8- 19, 2023 Theme: Plants

Language Arts:

The Pre-K will be discussing plants, what they look like, how to take care of plants, and their importance in nature. In addition to our theme, we will be playing phonics games to help us review our letters. We will also review the alphabet previously introduced. I will continue to work individually, and as a group with our reading stories.

Concept: The children will learn how to take care of plants, as we continue to water the plant in our classroom. Several plant themed jobs will be added to the shelf. We will also be taking nature walks to observe the plants we see outside.

Motor:

We will be moving our bodies as we pretend to be flowers in the wind! Look at our stems sway. We will also be looking at the environment as we play outdoors.

Craft and Writing:

Look for several plant themed projects to be coming home this week. The children will also be working on several familiar phonics papers to help them learn letters.

SAVE THE DATE... The Pre-K Spring Music Program is on Saturday, June 3 at 10:30 AM in our school parking lot. (Indoors if weather doesn't permit). Arrive 15 minutes early, bring your own chair. Please

let us know as soon if your child is not able to attend.
