Mrs. Ashley

Kindergarten Kaleidoscope

Weeks 38, 39, 40, and 41: May 1st-June 2nd, 2023

Theme:

Spring, Insects, and Review

- Evaluations, Kindergarten Testing, and Mother's Day Gifts will be focused over the next final weeks!

Language Arts: As we end our school year, we will work on nouns and adjectives. Sentence printing, contractions, and digraphs will be reviewed.

Math: Money, time, and missing numbers and fractions will be our math activities. The boys and girls will have fun using a ruler as we measure things around the room.

Science: The boys and girls will learn about a butterfly's life cycle by sequencing pictures of an egg, caterpillar, chrysalis, and adult butterfly.

Assessment: Kindergarten assessment tests will be given the week of May 15th. Please make sure your child has a good breakfast each day. Please refrain from referring to these assessments as "test". I will tell the children we are working on a special booklet for first grade. This seems to help them to relax and perform better on the assessment. It is very important that your child arrives on time for class this week. You will also receive a copy of the results along with an explanation grading. Please contact Mrs. Ashley with any questions.

Notes to Parents:
