

Pre-K Newsletter

Week 41 May 22-26 Theme: Old Favorites

Language Arts

The children are taking over Ms. Kailey's class this week. Each day the children will get to choose what songs to sing, what books to read and what stories and fingerplays to listen to. We will mix this with a bit of review and our reading stories for a week of fun and learning.

Concept

For one last time, the Pre-K will enjoy some estimating activities. It's hands-on fun as Ms. Jen brings out the Mystery Bag. The students will enjoy a fun game of number BINGO. We will be doing a few of our favorite science experiments.

Craft and Writing

The children will get to choose their favorite activities in the craft and writing room. The fine motor shelves are packed with fun activities all meant to strengthen their fine motor skills. The children will also love some free art time at the easel. We can't forget the Play-doh when it comes to class time fun!

Motor

The obstacle course is an all-time favorite and is sure to be enjoyed this week. The children will have their pick of motor fun, which is sure to enjoy lots of time on the playground.

Happy Birthday

Bella Gil

*We are closed on Monday,
May 29th for Memorial Day*
