

Construction

Week 2: 6/19-6/23

Language Arts: We have many books about Construction such as; *Good Night Construction Site*, *The House that Jack Built* and *the Alphabet Under Construction*. The children will also learn flannel board and fingerplays to go along with the topic. We will definitely role play using our hard hats.

Craft and Writing: Throughout the summer, we will continue to work on holding crayons, markers, and pencils correctly. You may also see some readiness and name papers coming home. Theme based craft projects will be done weekly as well. The children will decorate their own hard hats for this week.

Concept: In Concept, there will be so much building happening. The children will use Legos, wooden blocks, and Lincoln logs to build towers. We will construct using tools, dig and dump in sand tables, and create rock formations.
