

Summer Camp News

Weeks 1 and 2: June 12-23, 2023 Theme: Construction Zone

We will be bulldozing our way into summer camp with the children's first bi-weekly theme, Construction Zone. The little builders will be creating skylines, digging in dirt, and so much more.

Language Arts:

Books, songs, poems, and flannel boards will help introduce the children to things they would see on a construction zone.

Identifying names of vehicles, tools, occupations, buildings, and so much more will be

introduced. Maybe we have some future construction workers in the classrooms.

Concept:

Numbers, numbers, numbers! Themed number identification and counting games will be played. The children will also enjoy building with a variety of different blocks and materials. They'll have just as much fun building them up, as they will knocking them down.

Motor:

The children will pretend to operate construction

vehicles, and we'll be on the go both indoors and out! We hope to enjoy nice weather, and spend the majority of our time outdoors. We will also enjoy our first two sprinkler days of the year!

Craft and Writing:

The children will be using a variety of art materials to create theme based projects. Crayons, markers, paint, scissors, playdoh, and shaving cream, are only some of the things we'll be using.

Notes to Parents:

- Welcome to Summer Camp 2023. Looking forward to a fun-filled camp!
 - Please return your signed summer paperwork, and send a labeled bottle of sunscreen and bug spray with the permission slip.
 - Cooks in the kitchen on Tuesday, June 13. The children will help whip up a nutritious summer snack to enjoy
 - Sprinkler Days on Friday, June 16. Please send your child to school with their bathing suit on underneath their clothing. Send a towel, water shoes, and underwear to change into after.
 - Sunday, June 18...Happy Father's Day to all of the wonderful dads.
