

# Summer Camp News

**Weeks 3 and 4: June 26– July 7, 2023 (We will be closed on Tuesday, July 4th)**  
**Theme: Camping**

We will be exploring the great outdoors with our next two weeks theme of camping. Grab your canteens, hats, tents, binoculars, and let's go! Language Arts:

Books, songs, poems, and flannel boards will help introduce the children to things they would see on a real camping trip. Identifying names of animals, foods, equipment, and so much more will be introduced. Maybe some of the children have gone camping in real life, and could share their

adventures!

Concept:

Numbers, numbers, numbers! Themed number identification and counting games will be played. The children will be setting up fake campgrounds and learning the differences of sleeping arrangements, cooking, and so much more.

Motor:

The children will pretend to go on a bear hunt. We hope to enjoy nice weather, and spend the majority of our time outdoors. We will also

enjoy our next two sprinkler days of the year!

Craft and Writing:

The children will be using a variety of art materials to create theme based projects. Crayons, markers, paint, scissors, playdoh, and shaving cream, are only some of the things we'll be using.
