

# Summer Camp Program

**June 12 – August 4**

Join us for a fun-filled summer camp for ages 6 weeks to 6 years old, created around all things STEAM! (Science, Technology, Engineering, Art, and Mathematics)!

Our educational program consists of weekly themes, with opportunities for outdoor play and plenty of fun.

This summer will include creative drama, arts and crafts, music, special visitors, gardening, dance, discoveries, and much more! The children will learn, play, and explore with help from our knowledgeable and loving staff.
