

Carnival, Circus and Summer Safari

July 10-21, 2023

During Carnivals/Circus time we will have a lot of fun under the "Big Top" creating clown hats, Ferris Wheels and trapeze artists.

Many circus stories will be featured this week. What's a carnival with out popcorn? This wonderful snack will be certainly enjoyed during our carnival/circus activities.

During Safari time let's take a walk on the "wild side" as we will discover the idea of diversity and experience a plethora of our feathered and furred friends.

Our books for this topic will take us to the rainforest floor and the height of the lush canopy that the jungle animals call home

Mary Macaroni will be here on Wednesday, July 12, to sing and dance with the children!

Dan Van Gogh will be here on Wednesday, July 19 for magic and art fun!

Bike Day - Thursday, July 13. Please label all bikes and park them at the back of the fenced area.

Water Day - Tuesday, July 18. Have your child wear their bathing suit underneath their clothes.
