

Summer Camp News

Weeks 5 and 6: July 10- 21, 2023 Theme: Safari

We will continue our outdoor theme, with focus on the thrill of a safari! The children will learn what they would see, need to wear, and so much more if they were on a true journey.

Language Arts:

Books, songs, poems, and flannel boards will help introduce the children to things they would see on a real safari, the definition of the word, clothing and equipment, and the animals you'd see.

Concept:

The children will enjoy

matching and sorting activities using theme based materials. Size will also be discussed, and they will compare the height of safari animals. In addition, they will have time at the sensory tables indoors.

Motor:

The children will pretend to go on a safari. We hope to enjoy nice weather, and spend the majority of our time outdoors. We will also enjoy our next two sprinkler days of the year!

Craft and Writing:

The children will be using a variety of art materials to create theme based projects. Crayons, markers, paint, scissors, playdoh, and shaving cream, are only some of the things we'll be using.
