

News at Noonan in Mrs. Laura's VPK Class

We're off to a great year in VPK!

What's happening this week?

8/21– 8/25

Theme : Manners

Intro: Aa and Bb 1 and 2

Craft and Writing

In craft and writing this week, we will be introducing our letters Aa and Bb and numbers 1 and 2. We will practice tracing and writing them. We will also work on a phonics coloring activity for each new letter.

As we continue getting to know our classroom and the activities we have, we will introduce some of our craft time supplies. I will introduce using glue sticks first.

Practicing at home will be a great help with our writing skills!

Concept

In concept we will be talking about our 100 days of school chart and counting to 10. I have a fun counting game with mini erasers. We will continue introducing our concept jobs and the class will have time to work independently on their own job basket.

As our year progresses, we will have several introductions weekly. This week we will focus on recognizing numbers 1 and 2. It is important that the children are able to recognize numbers and also put them in numerical order.

Before our week ends, we will also practice some shape recognition!

Motor

Hand and Eye coordination with our Ball and Wand game

Notes

We had an awesome first week of school! Everyone is settling in nicely! I can't wait to watch them grow!

Language Arts

It's manners week! I have a classroom beehive of manners that we will talk about and discuss a lot of ways to have good and nots to good manners! We will be doing some fun phonics activities to introduce letters A and B. I will also start introducing a few sight words!

Your children and going to start learning our special Noonan song all about the letters and their sounds. "A Is For Amos."

Show and tell is Friday! Please bring something either starting letter A or B. Or, you may bring something having to do with manners!
