

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

8/28-9/1

Theme : Dinosaurs and Rocks

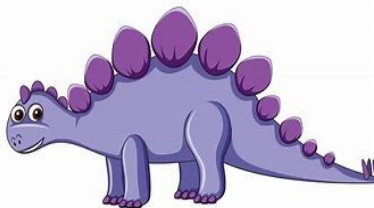

Intro: Aa and Bb 1 and 2

Craft and Writing

This week we will continue to work on our writing skills! We will practice our names, Aa and Bb and 1 and 2. We will also work on a phonics worksheet.

Of course no dinosaur week would be complete without a craft! We will have some fun creating our own dinos!

Motor

This week we will be moving and grooving to some dinosaur music

Notes

SHOW AND TELL FRIDAY:

Dinosaurs or A/B objects

REMINDER: WE ARE CLOSED

LABOR DAY 9/4

Concept

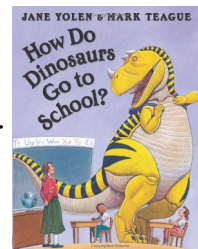

Let's learn some facts about dinos this week! We will be exploring our science shelf where the dinosaurs live! I have some rocks, fossils and pictures to use. We will discuss sizes, shapes, and colors.

As a group, we will work with my color dinosaurs to count and learn some patterning. The class will get some independent time to work on our concept shelves. This we will add our number and puzzle shelf.

Friday we will do an experiment with melting ice to get to the dinosaur in the middle.

Language Arts

This is a fun week for books! I have some great stories to share all about dinosaurs. One of my favorites is How Do Dinosaurs Go to School?

I am so proud of our class as they have been working hard on learning their first sight words and even began reading our Taffy Apple stories. This week we will continue reviewing what we have learned and maybe throw in a few new ones in as well!
