

Lockport—Kindergarten News

Weeks 3 and 4 August 28—September 8, 2023

Five Senses/All About You

INTRODUCING: Ee, Ff, Gg, Hh, 6, 7, 8, 9, 10
Cone, sphere, cylinder, cube

LANGUAGE AND READING:

We will be very busy in Language this week as we learn the sounds of the letters Ee, Ff, Gg and Hh. We will introduce word families 'at' and 'am'. The sight words for this week are; jump, look, me, my, big, blue, play, am, run, see. I recommend for these words to be put on index cards to practice at home. We will practice manners daily and learn the proverb, "Do unto others as you would have them do unto you". Lastly, the children will learn and discuss each sense and what we use the sense for.

MATH AND SCIENCE:

The numbers 6—10 will be introduced and added to the shelf jobs. We will work on how many and placing the numbers in numerical order. We will also learn the number words. Geometric shapes will be introduced. Five senses activities include: hearing bingo, mystery feeling bag, what's missing vision game, and a taste test!

CRAFT AND WRITING:

Proper scissor use will be taught to the children as we practice cutting fake hair. We will create self portraits, practice name printing and readiness papers. Remember to practice printing by always starting the letter or number at the top. Also, only the first letter of your child's name should be upper case.

PARENT NOTES:

We will be closed on Sept. 4, for Labor Day.

Don't forget to send your child with a sweater or sweatshirt.

Your children are adjusting well and seem to enjoy Kindergarten! I am very pleased with the progress they are making.
