

Lockport Nursery News

Weeks 3 and 4 August 28—September 8, 2023

Snugglies/Pets

INTRODUCING: circle, square
red, blue

LANGUAGE AND READING:

We all love our pets, so this week we will learn to take care of them. We will role play by pretending to be veterinarians. We will wash, feed and groom the animals. We also have fun games and songs to sing. “B-I-N-G-O” and “Love Our Pets” are two of our favorite songs to sing. The children will also feed the doggy colored bones!

At this young age, we always try to encourage good manners. This week we will practice saying please and thank you and show the children how to share.

MATH AND SCIENCE:

We will add the shapes circle and square to the shelves. We will practice sorting these shapes. The children will also learn to graph what animal they like better, at cat or a dog. Lastly, every day we will talk about the weather, how to dress for the weather and the calendar. The children will also learn what to do at night vs. the day.

CRAFT AND WRITING:

Our busy little artists will create an art project for the art wall. We will play and build with play dough as well. Playing with play dough helps strengthen their fingers.

PARENT NOTES:

We will be closed on September 4 in observation of Labor Day.

Star Students are Will, Kallie, Nevin and Elliana, for weeks 3 and 4!

We have welcomed Miss Ashley to our staff. She will be with the Nursery children. We look forward to having her here with us!
