

## Lockport Nursery Newsletter

Weeks 1 and 2: August 14–25, 2023

Getting to Know You!

INTRODUCING: The Bell, red and blue

### LANGUAGE AND READING:

Welcome to the Nursery room, we have so much fun in store for this school year. Over the next 2 weeks, we will explore the classroom and meet our classmates! We will play name games and practice recognizing our names in print. We will read books, sing songs and dance!

### CONCEPT:

In Concept, the children will learn about numbers and science. The children will count how many friends are in class each day. We will work together to build a tower with blocks. We will see how high and how wide we can make it. Can you build a tower with out it falling down?

### CRAFT AND WRITING:

During Craft and Writing our little artists will enjoy some simple sensory experiences to strengthen their little hands. They will use watercolors and build with play doh to create something amazing.

### PARENT NOTES:

Please send your child to school with a sweater or sweat shirt to leave on their hook in case it gets cold in the classroom.

Bring in school supplies and a recent picture for the birthday board.

Please return any paperwork to the office.

Always have an extra set of clothing in your child's backpack in case of an accident.
