Weeks 1 and 2: August 14–25, 2023

Getting to Know You!

INTRODUCING: Aa, Bb, Cc, Dd, all colors

LANGUAGE AND READING:

Welcome to Miss. Riley's Pre-K Language room. In Language we will get to learn about one another through stories, flannel boards and finger plays. We will learn the phonetic sounds for the letter Aa—Dd along with words that start with these letters. We always practice good manners by using the Bee Hive of Manners board. The children will also learn Proverbs and Fables in this classroom.

CONCEPT:

Mrs. Yasmin is the Concept teacher. During her class, the children will learn about the calendar, days of the week, months, seasons and even the weather. We will graph and chart this information daily. The children will also learn about "jobs". These "jobs" are individual tasks to be completed from start to finish. The "jobs" reinforce all concepts being introduced. Patterning, estimation and science activities will be enjoyed in this room as well.

CRAFT AND WRITING:

During Craft and Writing the children will learn to cut, glue, color and print correctly. We will practice writing our names, letters, and numbers (remember to always start at the top). We will also work on art and craft projects that are theme related each week. Some of the artwork will be left at school to be displayed or to dry before going home.

PARENT NOTES:

Please bring in extra clothes to be left in your child's backpack in case of an accident.

Please bring in school supplies.

Return all necessary paperwork to the office.

Don't forget to bring a recent picture of your child for the birthday board.

Never hesitate to ask us any questions! We are here, not only for your child, but you as well!
