

Lockport's Nursery News

Weeks 5 & 6 September 11–22, 2023

A Trip to the Zoo

INTRODUCING: Letter Aa

REVIEWING: Red, blue, circle and square

LANGUAGE AND READING:

Calling all zoo keepers, let's go explore the animals and exhibits that the zoo has! We will learn which animals live in water, trees, and caves. As we pretend to be zoo keepers, the children will learn to take care of, clean, and feed the animals. We will sing a song and read a book called "Going to the Zoo". The children will also sing about monkeys and alligators. The next 2 weeks will be so much fun! We will also learn the letter Aa and the phonetic sound it makes.

CONCEPT:

The letter Aa is going to be added to the Concept "jobs". Graphing our favorite zoo animals to see what animal is the favorite will be done. We will also divide the animals into their correct habitats. As always, we will discuss the calendar, weather, and count to 10!

CRAFT AND WRITING:

We will unleash our wild side as we color different zoo animals using different materials. We will also make animal prints by using play dough. Be on the look out for some wild and crazy crafts to come home!

PARENT NOTES:

Star Students over the next two weeks will be, Elliana, Reece, Claire, and Avyn.

Please return any paperwork to office that is due.

Please provide a picture of your child for the birthday board. Thank you to those that have brought one in.

Your children are really adjusting well! We are looking forward to this year!
