Five Special Friends

Five special friends sitting in a tree,
The first one said, "I'm glad I'm me!"
The second one said, "I feel great too!"
The third one said, "How about you?"
The fourth one said, "It's time to run and play!"
The fifth one said, "I'm glad to visit today!"

Motor:

We will be working on our large motor by walking the balance beam. The concept of ball rolling will also be reviewed. Weather permitting, we will have fun with motor outside.

We will review with the color, shape and alphabet sorting of all the concepts introduced thus far. We will continue to work on the pre-math concept "Big vs. Little." Jobs on our shelves will also be worked on.
