

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

10/16-10/20

Theme : Day and Night Animals

Intro: G and H and 7/8 Review

Craft and Writing

We are continuing to work on our new letters G and H this week with some phonics worksheets using out scissors and glue. We will also practice our printing with our dry erase boards.

I have a craft this week that we will do making some different night and day scenes with the animals that come out at different times of day.

Concept

In concept this week we will be working on patterning. I have some colored bears and mini erasers that we love to use to create patterns and counting. The class is grasping the concept of patterning and really starting to enjoy it. We will also work on number recognition with a fun bean bag toss game.

Each day I give the class time to work alone on our concept jobs so they can practice their small manipulatives.

Motor

Ball and Wand, Relay Races

Language Arts

This week in language we will be reviewing our new letters G and H. We will play a phonics matching game with our phonics buckets to review our letter sounds we have learned so far. We will work on our new vocabulary words for G and H as well. I will also do some review of our Taffy Apple stories.

As we learn about our day and night animals, the class will learn about the words nocturnal and diurnal. I am looking forward to teaching them this new knowledge!
