What's happening this week?

10/23– 10/27

Theme : Halloween

Intro: Ii and Jj 9 and 10

Craft and Writing

It's a spooky craft week! We will be having fun this week creating some Halloween crafts! We will be building a silly ghost with glue and markers. The class will be doing a guided drawing to create a pumpkin by following the directions I give. We will have a color by number Halloween worksheet which will be a great number review as well.

Halloween Boogie, Catching and throwing

Notes

Monday: Wear your

Halloween shirts and socks!

Tuesday the 31st will be our classroom Halloween Party!

Refer to the orange note sent home for info!

Concept

This week in concept class we will be doing some fun Halloween activities. We will be using our senses to investigate a pumpkin which will be lots of fun using our describing words. We will also be doing more patterning and counting with some special Halloween items. We will be working on size seriation by putting pumpkins in order from smallest to biggest.

Keep practicing number recognition and counting at home! :) The kids are doing great!

Language Arts

So many fun stories to read this week in language! We will have some visits from Clifford, Pete the Cat and Froggy. I have a fun scavenger hunt review game with pumpkins to look for letters in our classroom. We will also create our own Halloween story going around the circle and adding a new sentence. That should be interesting! :)
