

Lockport Pre-Kindergarten News

Weeks # 8 & 9 October 2–13, 2023

Dinosaurs

INTRODUCING: Ii, Jj
triangle, rectangle

LANGUAGE:

We are going back to prehistoric times to teach the children about **DINOSAURS!** This is a great topic to introduce new vocabulary words. Some of these words are: extinct, herbivore, carnivore, omnivore, paleontologist and of course all the dinosaur names.

During class, we will learn the phonetic sounds and words that begin with Ii and Jj. Manners will be reinforced along with our story words. The fable, *The Fox and the Stork* will be told!

CONCEPT:

This is a perfect week for science activities as we learn about dinosaurs and their habitats. We will see how many of our feet fit inside a dinosaur's foot. We will talk about the size of dinosaurs and we may even erupt a volcano!

We will continue to practice saying and reading the days of the week and the months of the year. We also will count to 50 and continue to discuss the weather and change of season.

CRAFT AND WRITING:

We will learn to properly print the letters Ii and Jj. Readiness phonics papers will be done as well. Dinosaur week is not complete without some dinosaur crafts. We will use water colors, make a 'D' is for dinosaur paper and Use play doh to see dino prints!

PARENT NOTES:

We will be closed on October 9 for staff training.

Please empty your child's folder daily.

Happy birthday to Miss Riley on October 7!

Feel free to contact us with any questions or concerns. We are here for you and your child :)
