

Toddler Times

October 30-November 3

Theme: B is for Blocks

Introduction: Bb

This week will be so much fun! We'll kick start our week with a Halloween party. We'll march around the room in our Halloween costumes, dance to spooky songs with scarves and enjoy all our favorite Halloween songs during circle time one last time.

The Toddlers will have a ball as we learn all about the letter Bb and the "bouncy" sound it makes. We will paint letter Bb papers with legos and we will have fun sorting colors with our duplo blocks onto colored trays.

We'll practice our counting skills as we stack blocks 1,2,3 and knock it down! A fun song will accompany our block play throughout the week to encourage our purposeful play.

Special Reminder: As cooler temps are upon us please make sure your child has a warm coat to play outside along with hat and mittens as needed. Please initial the tag of all items.

Picture Day is coming!! Photomonkeye will be here on November 9th and 10th for photos. SAY CHEESE!!!

Thank you to the those families who brought pumpkin donations. The children loved exploring, carving and decorating them!!
