

Two's News

Week 12 October 30-November 3 Theme: Feelings and Emotions

Introductions: Bb

Vocabulary: *brisk*: quick, lively

Bits of Intelligence: Insects

Craft and Writing - Mrs. Nicole will have many emotions created in her classroom this week. The children will create paper plate emoji's displaying different emotions. Play-Doh and fringe cutting will strengthen our fine muscle coordination. We will also learn all about our new letter Bb.

Language Arts - Ms. Stephanie has plenty of activities planned to help the children learn all about their emotions and how certain things make them feel. She will also discuss different ways we can calm ourselves down when feeling upset or frustrated. She will also teach the children the next verse of A is for Amos so we can learn what sound our new letter Bb makes. She will introduce the new Bb phonics bucket.

Concept - This week we will sort big/little as well as long/short. The children will use blocks to build big and little homes. The lego table will help the children work together to build towers and sort colors.

Motor - The children will use our action words to get a little work out. Ball and wand will help with our eye-hand coordination. We will also take out our balance beam and our stairs to create an obstacle course.

Picture Days - November 9th and 10th

If your child does not attend on these days you may bring them in either day at 9:00am to have their photo taken

Halloween Parties - October 30th and 31st 9:00-12:00
