

Toddler Times

Oct. 9th-13th Week 9

Introduction: Square

No School Monday October 9th for Teacher In-Service

The fun continues as we sing more classic nursery rhymes with our singing basket. The children are absolutely loving this activity! The class is starting to sing Twinkle, Twinkle Little Star along with Mrs. Jackie and she is so happy to hear their little voices! We'll dance and use yellow scarves as we sing to keep building our language skills. Humpty Dumpty will be a fan favorite as we build a wall with square blocks and take turns pretending to be the silly egg who tumbles down. Egg shakers will add a fun twist as we shake along to our classic nursery rhyme.

Art class will be busy, busy, busy as we paint a shape bus with square windows, paint itsy, bitsy spiders hands to decorate our class, make a fluffy picture of Mary's little lamb and even work on making our first puppet craft of Humpty Dumpty!
