

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

11/6-11/10

Theme : Transportation

Intro: K and L / 11 and 12

Craft and Writing

We are introducing our next letters K and L and our numbers 11 and 12. We will work on our printing skills with these new introductions. We are working hard on writing our names. I have seen a lot of improvement! Keep practicing!

To go with our theme, we will be doing a few worksheets about transportation and a fun craft at the end of the week!

Motor

Scooter Races, stop and go activity, ball and wand

Notes

Thank you for an awesome Halloween celebration!

**FRIDAY Show and Tell:
Transportation or K/L Items**

Concept

We are working hard on our numbers! One activity we will continue practicing is number recognition and counting out an item of the number shown. We are adding 11 and 12. We will also continue counting by 5s and 10s.

For transportation week we have a fun activity comparing and contrasting ways of transportation and we will create a graph. I will also be doing some shape review. We have a little song for each shape to help them remember.

Language Arts

Lets add the next letters K and L to our Amos song. We will be talking about the sounds each letter makes and we will use our phonics boxes to find items that begin with those letters.

We will do a fun letter and sight word review with matchbox cars. As always we will be reading some great stories to go with our theme.
