Craft and

This week we will be crafting for Thanksgiving!

We will be using Publix ads to cut our "Our Thanksgiving Dinner." I have some color by number activities to review our numbers. We will also be practicing our printing skills again with our dry erase boards and pencils.

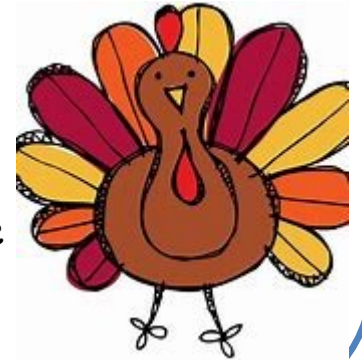

Friday is our Thanksgiving celebration, so we will be making a fun headband to wear that day.

Concept

We are continuing our counting and number review. We will be playing a number recognition game with some turkeys and feathers. We have been working very hard with counting and number recognition.

Practice at home as well! :)

We will also continue our practice with patterning.

In language class this week, we will be talking all about the Thanksgiving holiday. We will learn the background of the first Thanksgiving with a few stories I have to share. We will also be talking about what we are thankful for. Another fun activity this week, we will be creating our own "How to Cook a Turkey" recipe. These will be a great keepsake!
